Sorry, did not mean to hit send. Here is the updated version:

Agenda for 3/25 404(g) bi-weekly with John Goodin

- 1) Status of state efforts – 2 min; Kathy
 - a. FL – public hearings - April 2, 2020, 9 am ; April 6, 2020, 9 am ; and April 10, 2020, 9 am
. EPA comments on rule due April 17.
 - b. NJ – making changes to all permitting programs to account for climate change issues; Region not anticipating this will result in inconsistency with 404(g)
 - c. OR – Stakeholder meetings, HCP and SPGP efforts
- 2) Begin covering issues for options selection i.e., walking through the issue papers tables – Kathy/Ruth
 - a. Cover one at each bi-weekly; intent is to familiarize John with the substance so he can brief Dave/respond to regional manager inquiries
 - b. This will allow pre-brief for Dave's pre-brief to focus on outstanding or unresolved issues and the process of holding the meeting. Due to challenges with remote meetings.
- 3) Cover Tribal Options (attached) - Ruth
- 4) Next topic is Mitigation

We are crafting path forward on options selection per John's direction and for meeting on 3/26.
